SEND US YOUR STATEMENTS!

SK Global Software (formerly Sandler*Kahne Software) is excited to offer you a new way to save! We've partnered with Nodus Technologies to analyze your existing merchant account and help your business save on payment processing.

CUSTOMERS AVERAGE 12% SAVINGS ON THEIR CURRENT RATES*

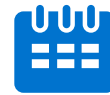

Email or upload your **3** most recent processing statements, including American Express.

Email sales@sksoft.com
Upload at sksoft.com/merchant

We will conduct a focused, line-by-line analysis of your charges and fees.

We will contact you and schedule a time to review our findings with you and your team.

WE WILL DELIVER

A **DETAILED, COMPARATIVE** analysis that outlines areas of improvement, interchange qualification deficiencies, & unnecessary or hidden processor fees.
